Buddy Walk History

The Buddy Walk® was established in 1995 by the National Down Syndrome Society to celebrate Down Syndrome Awareness Month in October and to promote acceptance and inclusion of people with Down syndrome. Today, the Buddy Walk program is supported nationally by NDSS and organized at the local level by parent support groups, schools and other organizations and individuals.

In 2012 more than 250 Buddy Walk® events took place with over 295,000 participants raising more than **\$11.75 million.**

The Buddy Walk program has grown from 17 walks nationwide to over 300 expected in 2013. The walk benefits local programs and services as well as the national advocacy initiatives that benefit all individuals with Down syndrome.

Come join us for the one mile walk at Baker Park on September 21th for a fun filled afternoon with family and friends!
