Where the funds go...

- Techniques for Success teacher's conference:

We provide valuable education techniques and skills to better teach our children in the general education classroom.

- Technology Grants:

We provide grants to provide technology, such as iPads or Tablets, for children with Down syndrome to enhance their learning capabilities

- Medical Grants:

We provide grants to families to help with medical costs that they may have experienced with their child

- Enrichment Grants:

We provide grants to encourage our children to get involved with social, therapeutic and athletic programs

- K-12 Down syndrome awareness campaigns:

We create various campaigns, such as our World Down Syndrome Day poster campaign, to educate all students and teachers in K-12 to generate acceptance and inclusion in society for now and for generations

- Scholarships:

We provide scholarships to any individual(s) with Down Syndrome if they choose to continue their education and also to any student(s) to pursue fields that will benefit the lives of those individuals with Down Syndrome.

- I Can Shine Bike Camp:

We will be hosting our first bike camp June 2014 to enable individuals with developmental and intellectual disabilities to master the skills of riding a two wheel cycle
